Signal Code: 11-12-13
1) Check for anything obstructing the signal to your satellite dish such as tree branches, severe rain, or snow build-up. If it is safe to do so, remove the obstruction or wait for it to pass.
2) Unplug your receiver for 10 seconds and plug back in. The reset process should take no more than 5 minutes to complete.
3) Check that the wiring between your receiver and your wall outlet is configured properly using dish.com/wiring.
4) Check that the connections between your receiver, the wall, and any devices in between are hand tight.
5) If these steps have not resolved your issue, contact us at dish.com/chat or 1-800-333-3474.
In the meantime, you can watch certain other channels.
